- 1. See if your company has a Foundation or a Charitable Giving program.** Most companies or corporations do some sort of charitable giving, and you can help get the Family House on their radar!
- 2. Organize a Fundraiser!** From golf outings to bake sales to car washes, there are a countless ways you, your family, classmates and friends can fundraise for the Family House. Be creative and have fun! Fundraisers are also a great way to reconnect with family and friends while supporting our important mission.

Gifts of any level are meaningful and there are many programs you can support. Check out the **Family Circle** giving program brochure and consider becoming a member.
- 4. Host an Activity Night!** Take your volunteering from the kitchen to other places in the Family House! We are looking for volunteers to organize different Activity Nights throughout the week. Individuals or small groups are needed to organize and lead an arts and crafts project, game night or other fun activity for families staying at the House.

7. Register to be an organ donor and spread the word! You are never too old or too young to be an organ donor! It's easy to add the donor designation to your driver's license. While most people register when they renew their driver's license, you can also register to be an organ donor online. Sign up now! Go to www.donors1.org/register for more information.

8. Come in and cook again! We are always in need of Home Cook Heroes to cook meals for our families, so spread the word and help your family, friends and co-workers form volunteer groups!
