

# Dress Down Day to benefit Gift of Life Family House!

## SCHOOL CHALLENGE

A **Dress Down Day** is a great way for students and faculty to get involved and support the Gift of Life Family House while enjoying the luxury of a more casual day at school!

By participating in the **Dress Down Day**, students and faculty will be supporting the Gift of Life Family House and the transplant families we serve while helping to increase awareness in the schools of the importance of organ and tissue donation. For a twist, you could organize a themed **Dress Down Day** – you pick the theme!

You simply choose a day when your school would like to host a **Dress Down Day** to support the Gift of Life Family House. Then have your students and/or faculty donate a designated fee (typically \$5 – you can decide) for the privilege to dress down. Remember, the more people that participate, the more money you will raise which will help make a difference in the lives of the transplant families that Gift of Life Family House serves.

All registered participants will receive a **Donate Life** bracelet to wear during the day so everyone will know they are supporting the Gift of Life Family House and helping to increase awareness in the school of the importance of organ and tissue donation .

We will provide posters in advance of the event to publicize your **Dress Down Day**! We would be happy to have a Gift of Life representative come to your school to make a presentation about Gift of Life Donor Program and the critical need for the Gift of Life Family House. Fun prizes may also be available to top schools. Contact the Family House for more Information.

Yes, our school would like to participate in a **Dress Down Day!**

School Name: \_\_\_\_\_

Address: \_\_\_\_\_

*Gift of Life Family House* is the first program of its kind in this region to provide lodging, supportive services and critical resources, focused exclusively for transplant patients and their family members.

*Gift of Life Family House*, working with the Transplant Foundation, a 501(c)(3) organization, is a program of the *Gift of Life Donor Program*. Since 1974, *Gift of Life Donor Program* has served as the region's non-profit organ and tissue donor program providing the link between patients awaiting organ and tissue transplants and those who donate. To date, *Gift of Life* has coordinated more than 29,000 organ transplants. *Gift of Life Donor Program* serves eastern Pennsylvania, southern New Jersey and Delaware.
