

Host a Dress Down Day to benefit Gift of Life Family House!

A **Dress Down Day** is a great way to support the Gift of Life Family House while enjoying the luxury of a more casual day at work!

By participating in the **Dress Down Day** your employees and/or co-workers will be supporting the Gift of Life Family House and the transplant families we serve while helping to increase awareness in the workplace of the importance of organ and tissue donation. For a twist, you could organize a themed **Dress Down Day** – you pick the theme!

You simply choose a day when your organization would like to host a **Dress Down Day** to support the Gift of Life Family House. Then have your employees and/or co-workers donate a designated fee (typically \$5 – you can decide) for the privilege to dress down. Remember, the more people that participate, the more money you will raise which will help make a difference in the lives of the transplant families that Gift of Life Family House serves.
